

Erratum: *Expression of growth arrest-specific protein 6 and Axl molecules in the left internal mammary artery of patients undergoing coronary artery bypass grafting*

Lee CH, Shieh YS, Tsai CS, *et al.* Expression of growth arrest-specific protein 6 and Axl molecules in the left internal mammary artery of patients undergoing coronary artery bypass grafting. *J Clin Pathol* 2014;67:506–11. doi:10.1136/jclinpath-2013-202000.

1. Authors acknowledge that Figure 2 is a duplication of Figure 1E.
2. Authors mention the use of age-adjusted Spearman partial correlation analysis in the 'Results' section of the paper (page 509, line 4–5), but the r and P value in figure 3 are not age-adjusted. The revised figures 3 with the correct r and P value after adjusting of age are below:

J Clin Pathol 2017;70:360. doi:10.1136/jclinpath-2013-202000corr1
