

Journal of Clinical Pathology

British Medical Association, Tavistock Square, London WC1H 9JR

Contents Vol. 25, No. 11, November 1972

ACP Presidential Address: Medical microbiology for patient and community
SIR JAMES HOWIE *page 921*

The preparation of a 'metal-free' nappy and its application to metabolic balances in children
F. W. ALEXANDER AND H. T. DELVES *page 927*

Rapid analysis of pregnanediol in pregnancy urine
W. COOPER, M. G. COYLE, AND V. K. SMITH
page 933

Standardization of clinical enzyme assays: a reference method for aspartate and alanine transaminases
J. H. WILKINSON, D. N. BARON, D. W. MOSS, AND P. G. WALKER *page 940*

The sea-blue histiocyte syndrome with hepatic porphyria and infectious mononucleosis
M. L. GHOSH *page 945*

Bone marrow lipofuscin
K. G. A. CLARK AND W. M. DAVIDSON *page 947*

The Kmif (Kveim-induced macrophage migration inhibition factor) test in sarcoidosis
W. JONES WILLIAMS, E. PIOLI, D. J. JONES, AND M. DIGHERO *page 951*

Incidence of haemagglutinating antibodies to meningococci in north-west England
D. M. JONES AND BARBARA M. TOBIN *page 955*

Identification and characterization of *Moraxella phenylpyruvica*
J. J. S. SNELL, L. R. HILL, AND S. P. LAPAGE
page 959

Further study of strontium selenite and selenite F broths for the isolation of *Salmonella typhi*
P. Y. CHAU AND C. R. FORREST *page 966*

Isolation of *Aeromonas* species from clinical sources
A. W. MCCRACKEN AND R. BARKLEY *page 970*

Stimulation of growth on a deficient medium of a *Klebsiella aerogenes* species by sulphamide, para-amino benzoic acid, nitrofurantoin and some other substances
D. MCGHIE, J. G. P. HUTCHISON, AND R. G. FINCH
page 976

The *in-vitro* activity of tobramycin compared with that of other aminoglycosides
PAMELA M. WATERWORTH *page 979*

Computer listing of the effects of drugs on laboratory data
D. S. YOUNG, D. W. THOMAS, AND R. B. FRIEDMAN *page 984*

The role of operational research in clinical chemistry
J. PETO, L. G. WHITBY, AND D. J. FINNEY
page 989

Technical methods
Preliminary investigation on a rapid method for the concentration and processing of extracellular blood parasites for electron microscopy
R. H. CAVILL AND J. M. GOLDSMID *page 997*

The localization of viable bacteria in tissue
P. D. MEERS AND A. C. HUNT *page 1000*

Book reviews *page 1001*

Proceedings of the 89th general meeting of Association of Clinical Pathologists
page 1002
