## *Feto-placental function: its nature and assessment*

The histopathology of placental insufficiency	H. FOX ..	page 1
Uteroplacental vasculature	W. B. ROBERTSON .....	9
Assessment of fetoplacental function by biochemical determinations	T. CHARD .....	18
The effects of placental insufficiency on the fetal lung	J. S. WIGGLESWORTH .....	27
Fetal blood sampling and gas exchange	J. F. PEARSON ..	31

## *Haematological problems*

Coagulation disorders	JOHN BONNAR .....	35
Haemoglobinopathies in pregnancy	R. G. HUNTSMAN ..	42
Rhesus haemolytic disease	C. R. WHITFIELD .....	54

## *Hypertension and renal disease*

The histology of eclamptic lesions	A. D. T. GOVAN .....	63
Fibrin deposition in pregnancy	A. L. STALKER .....	70
Renal disease in pregnancy	GEORGE WILLIAMS .....	77
Renal function in preeclampsia	C. W. G. REDMAN, L. J. BEILIN, AND J. BONNAR .....	91

## *Infections*

Genital mycoplasmal infections: their relation to prematurity and other abnormalities of reproduction	WILLIAM M. MCCORMACK .....	95
Viral infections	J. A. DUDGEON .....	99
The acquisition by the fetus of bacterial infection in pregnancy and labour	PAMELA A. DAVIES .....	107

## *Trophoblastic tumours*

The histopathology of trophoblastic tumours	C. W. ELSTON .....	111
Immunogenetics of trophoblastic tumours	SYLVIA D. LAWLER .....	132
Endocrinology and treatment of trophoblastic tumours	K. D. BAGSHAWE .....	140

## *Congenital abnormalities*

Genetic counselling: A tool for the prevention of some abnormal pregnancies	MARTIN BOBROW .....	145
Current problems concerning teratogens in the human	D. F. HAWKINS .....	150
Alphafetoprotein and neural tube defects	D. J. H. BROCK .....	157
Screening for fetal chromosome aberrations in early pregnancy	M. A. FERGUSON-SMITH AND M. E. FERGUSON-SMITH .....	165
