COMMUNICATIONS Papers submitted for publication should be sent in duplicate to the Editor, *Journal of Clinical Pathology*, BMA House, Tavistock Square, London, WC1H 9JR. They should be in double-spaced typewriting on one side of the paper only. On the paper the name of the author should appear with initials (or distinguishing Christian name) only, and the name and address of the laboratory where the work was performed. A definition of the position held by each of the authors in the hospital or laboratory should be stated in a covering letter to the Editor. All papers with joint authorship should be accompanied by the signatures of all the authors. Results should not be shown as both tables and graphs.

ACKNOWLEDGMENT A stamped addressed postcard should be enclosed for return to the author as acknowledgment of receipt of the manuscript. Overseas authors should enclose international reply paid coupons.

ILLUSTRATIONS Diagrams should be drawn in Indian ink on white paper, Bristol board, or blue-squared paper. The legends for illustrations should be typed on a separate sheet. Photographs and photomicrographs should be on glossy paper, unmounted.

CHEMICAL FORMULAE should as far as possible be written in a single horizontal line.

ABBREVIATIONS In general, symbols and abbreviations should be those used by the *Biochemical Journal*.

SI UNITS The units in which the author's work was measured should be cited first followed by either the traditional units if SI units were used or by SI units if traditional units were used. Such conversion is the responsibility of the author. In the tables a conversion factor should be added as a footnote. Authors are referred to *J. clin. Path.*, 27, 590-597.

ETHICS The critical assessment of papers submitted will include ethical considerations. Authors are referred to publications on ethics of human experimentation by the Medical Research Council in Britain and to the code of ethics of the World Medical Association known as the Declaration of Helsinki (see *Brit. med. J.*, 1964, 2, 177).

REFERENCES These should be given in the text thus: Jones and Smith (1970). If there are more than two authors they should be cited as Jones *et al.* (1970) even the first time that they appear. The list of references

should be typed in double spacing and in alphabetical order on a separate sheet. Such references should give the author's name, initials, year of publication in brackets, the title of the article quoted, the full name of the journal in which the article appeared, the volume number in arabic numerals followed by the numbers of the first and last pages of the article.

REPRINTS Twenty-five reprints will be supplied free of charge. Further reprints will be available on payment of the necessary costs; the number of reprints required should be sent to the Publishing Manager on the form provided with the proofs.

NOTICE TO ADVERTISERS Applications for advertisement space and for rates should be addressed to the Advertisement Manager, *Journal of Clinical Pathology*, BMA House, Tavistock Square, London, WC1H 9JR.

NOTICE TO SUBSCRIBERS The *Journal of Clinical Pathology* is published monthly. The annual subscription rates including postage by surface mail are £26.00 in the United Kingdom and the Republic of Ireland and US\$70.50 in all countries overseas.
