Papers should be sent in duplicate to the Editor, *Journal of Clinical Pathology*, BMA House, Tavistock Square, London WC1H 9JR. They should be in double-spaced typewriting on one side of the paper only. The name of the author with initials (or distinguishing Christian name) should be followed by the name and address of the laboratory where the work was performed. A definition of the position held by each author should be stated in a covering letter to the Editor. All papers with joint authorship should be accompanied by the signatures of all the authors. Results should not be shown as both tables and graphs.

**ACKNOWLEDGMENT** A stamped addressed postcard should be enclosed for return to the author as acknowledgment of receipt of the manuscript. Overseas authors should enclose international reply paid coupons.

**ILLUSTRATIONS** Diagrams should be drawn in Indian ink on stout white paper. The legends for illustrations should be typed on a separate sheet. Photographs and photomicrographs should be on glossy paper, unmounted.

**CHEMICAL FORMULAE** should as far as possible be written in a single horizontal line.

**ABBREVIATIONS** In general, symbols and abbreviations should be those used by the *Biochemical Journal*.

**SI UNITS** The units in which the work was done should be cited first followed by traditional units or SI units in parentheses. A conversion factor shall be given as a footnote to tables and in legends to figures. Such conversion is the responsibility of the author.

**ETHICS** The critical assessment of papers submitted will include ethical considerations.

**REFERENCES** Number references consecutively in the order in which they are first mentioned in the text. Identify references in the text by arabic numerals (in parentheses). References cited only in tables or in legends to figures should be numbered in accordance with a sequence established by the first identification in the text of the particular table or illustration. The references should be given in the form used by *Index Medicus*:

*Journal* (List all authors when six or less; when seven or more, list only first three and add *et al.*)  
Soter NA, Wassermann SI, Austen KF. Cold urticaria:

release into the circulation of histamine and eosinophil chemotactic factor of anaphylaxis during cold challenge. *N Engl J Med* 1976;294:687-90.

#### Book

Osler AG. *Complement: mechanisms and functions*. Englewood Cliffs: Prentice Hall, 1976. It is the responsibility of the author to ensure that references are correctly quoted.

**REPRINTS** Twenty-five reprints will be supplied free of charge and further reprints may be ordered when the proof is returned.

**NOTICE TO ADVERTISERS** Applications for advertisement space and for rates should be addressed to the Advertisement Manager, *Journal of Clinical Pathology*, BMA House, Tavistock Square, London WC1H 9JR.

**NOTICE TO SUBSCRIBERS** The *Journal of Clinical Pathology* is published monthly. From 1 January 1981 the annual subscription rates will be £40 in the UK and the Republic of Ireland and US\$95.00 in all countries overseas. Payment for overseas subscriptions should be made in US dollars, ie, US\$95.00, or in your national currency based on the prevailing exchange rate to the US dollar of that currency, payable to the British Medical Association. Orders can also be placed locally with any leading subscription agent or bookseller. (For the convenience of readers in the USA subscription orders, with or without payment, can also be sent to *British Medical Journal*, 1172 Commonwealth Avenue, Boston, Mass 02134. All enquiries, however, must be addressed to the publisher in London.) All enquiries regarding air mail rates and single copies already published should be addressed to the publisher in London.
