Journal of Clinical Pathology

JCP offers a mix of cutting-edge academic research and practical clinical advice. As one of the few broad scope pathology journals, it enables the busy pathologist to keep up to date with the latest developments in all disciplines of pathology.

JCP Online Archive

The full back archive of Journal of Clinical Pathology is now available from 1969 at http://jcp.bmj.com. Users have FREE access to all articles right back to Volume 1, Issue 1 and up to and including Volume 58, Issue 12.* The online archives were digitised with the help of the US National Library of Medicine. Personal subscribers must sign in to access this content. Users not covered by an institutional or personal subscription will have to complete a one-time registration that grants access to all archive content, across all our titles.

*Articles that have been published after this issue require a subscription to access them.
