

## ***Journal of Clinical Pathology: Call for Reviewers***

The [Journal of Clinical Pathology](#) is looking for reviewers to peer review manuscripts for the journal.

The *Journal of Clinical Pathology* (JCP) offers a mix of innovative academic research and practical clinical advice. As one of the few broad-scope pathology journals, it enables the busy pathologist to keep up with the latest developments in all pathology disciplines.

JCP is the official journal of the Association of Clinical Pathologists.

Here are some of the rewards that we offer reviewers at BMJ:

- **Automatic ORCID accreditation:** Reviewers on all BMJ journals can opt in to automatically update their ORCID reviewer profiles and receive credit for their reviewer output.
- **CME credits:** Editors rate reviews based on timeliness and quality. At JGM, reviewers are offered up to 3 AMA PRA Category 1 Continuing Medical Education (CME) credits for reviews with the highest marks, in partnership with the Cleveland Clinic Foundation.
- **Reviewer certificates:** Upon request BMJ provides certificates for completed reviews.
- **Annual list of reviewers:** Once a year, reviewers on all BMJ journals are publicly listed in our annual list of reviewers, where we say thank you for your contribution to maintaining the quality of research literature.

For further information on reviewing for BMJ, please [visit the website here](#).

Please [visit the JCP website](#) for examples of recently published papers.

**To register your interest in joining reviewing for JCP, please contact the Editorial Office ([info.jcp@bmj.com](mailto:info.jcp@bmj.com)) and include your main research interests and CV.**
